Honky Tonk Redeemer

Scott Dawson

Meeting you at midnight
I can't remember when
I've felt so unencumbered
It's so good to smile again
She left me with a heartache
The size of Tennessee
Until right now I thought she
Might be the death of me

But you're my honky tonk redeemer
Sent to save my life
From the devil in a blue dress
My soon to be ex-wife
Oh her lying and her cheating
We're more than I could stand
You're my honky tonk redeemer
And this bar my promised land

Am I really on this dance floor?
There must be some mistake
You're gonna have to pinch me
To convince me I'm awake
Two-stepping with an angel
In the glow of neon light
Is a prayer the Good Lord answered
To met her memory tonight
