

# Honky Tonk Redeemer

[\*\*Scott Dawson\*\*](#)

Meeting you at midnight  
I can't remember when  
I've felt so unencumbered  
It's so good to smile again  
She left me with a heartache  
The size of Tennessee  
Until right now I thought she  
Might be the death of me

But you're my honky tonk redeemer  
Sent to save my life  
From the devil in a blue dress  
My soon to be ex-wife  
Oh her lying and her cheating  
We're more than I could stand  
You're my honky tonk redeemer  
And this bar my promised land

Am I really on this dance floor?  
There must be some mistake  
You're gonna have to pinch me  
To convince me I'm awake  
Two-stepping with an angel  
In the glow of neon light  
Is a prayer the Good Lord answered  
To met her memory tonight
