Let Me Cry

Mila Mason

I don't want your sympathy
I can't believe you're telling me
That you don't love me anymore
You say that we can still be friends
And in time my heart will mend
Well, that ain't what I'm looking forSo let me cry by myself
'Cause these tears will help
To wash away the pain
I know in time they will dry
But for now please go away and let me cryTell me is there someone new
That you've given your love to
Or is it something that I've done?
Don't think I'll ever understand
We could come this far and then
You could leave me here alone andLet me cry by myself
'Cause these tears will help
To wash away the pain
I know in time they will dry
But for now please go away and let me cry
