

For You

The Greenberry Woods

Forget about the past,
itâ€™s all in the past,
Forget about the truth,
itâ€™s got nothing to do,
with you.

And even though you make me feel this way,
Iâ€™d do it again, Iâ€™d do it again.
And even through the heart ache and the pain,
Iâ€™d do it again, Iâ€™d do it again.
For you.

I might have been lust, and hit like a truck
It might have been fate, but it happened to late
now here I am stuck, in love
And even though you make me feel this way,
Iâ€™d do it again, Iâ€™d do it again
And even through the heart ache and the pain,
Iâ€™d do it again, Iâ€™d do it again
For you, aaahhhhh
For you, and me
For you ahhhhh
For you

And to all those lonely nights
When I swore Iâ€™d go insane
At the mention of your name
But to speak of you in pain
Im on my knees again

If you hold me
Will it feel the same
If you hold me
Then it might just be enough
To make things right
