Supermagic (Extended Version)

Parralox

Verse 1
Call my number, I need a friend
Let's stay together, be there till the endPre Chorus
I go, go, go, go
I'm crazy for your love and it's starting to show
There's something you should know
Know, know, know
I got you on my mind
And I'm ready to goChorus
Supermagic is what you've always been to me
You're taking me so higher
Higher than a love should ever beVerse 2
New sensation, I need it again
Supernatural, get out of my headRepeat Pre ChorusRepeat ChorusMiddle 8
Don't let me go, don't leave me, be mine tonight
There's no radio and no TV, it's gonna be alrightRepeat Chorus
