

# Let Me Go

Melissa Etheridge

Am I the snake inside your garden  
The sugar in your tea  
The knock upon your back door  
The twist that turns your key Am I the sweat you feel on your hand  
The shadow on your face  
The tune inside your head  
That put you here in the first place Well, I don't wanna be  
I don't wanna be I don't wanna be your sweet temptation  
Don't wanna be your new sensation  
It's just a delicate distraction  
With just a hint of satisfaction Look me in the eye and let me know  
If you can't love me then let me go  
Let me go, let me go, let me go Do you try to stay suspended  
In your deepest fantasy  
After night has ended  
The scent of mystery The power of suggestion  
Tangles up your soul  
A neutral state between love and hate  
Is bound to take its toll Well, I don't think you know  
I don't think you know I don't think you know about the screaming  
You don't understand the meaning  
You could trade it in for laughter  
To keep your happy ever after Look me in the eye and let me know  
If you can't love me then let me go  
Let me go, let me go, let me go Baby, in your ivory tower  
Do you sleep tight, dream fight  
Baby, does it wet your appetite  
Maybe in your darkest hour  
Am I the keeper of your beast Well, I don't wanna be  
I don't wanna be  
So let me go  
Let me go
