Alright

Maurette Brown Clark

I will be all right (2x)
With Jesus on my side
Ill make it through the darkest night
I wont be defeated
With Christ I have victory
I will be all right (3x)
With Jesus on my side(Repeat Verse)Vamp
I dont care what you say
I dont care what you do
Though my friends may be few
I am still going through
You may try to block my sight
But I'll continue to fight
I will press toward the mark
For Im going to see my God
Running, running I can tarry
Knowing you dont have to worry
I am reaching for the prize
And one day Ill meet Him in the skyEnding
All right, Ill make it (Repeat X times)
All right (Repeat X times)
I will be all right
With Jesus on my side
