My Savior

Flesh Field

I feel guilty sometimes when I pray
Stealing time from needs that are great
Still You listen to every word I say
And I wanna thank You
And I, I'm amazed to call You mine
My Savior, I'm laying it at your feet
Your love, it consumes me
My Savior, You've given me all I need
Your grace and Your mercy
I've been thinking about what You did
I'm empty handed, so what could I give?
But all You ask of me is the life that I live
So I'll be faithful
Oh and I, I'm not ashamed to call You mine
My Savior, I'm laying it at your feet

Your love, it consumes me
My Savior, You've given me all I need
Your grace and Your mercy
I never wanna be away, forever I'll pursue
Everything it takes to be with You
Mercy
My Savior, I'm laying it at your feet
Your love, it consumes me
My Savior, You've given me all I need
Your grace and Your mercy
I never wanna be away, my Savior
I'm laying it at your feet
Your love, it consumes me
My Savior, I'm amazed to call You mine
