Glow

Porches

I wanted to glow all night
I want you to know that I was right
So I tell myself that I
Won't take it back
I won't take it back
I want to believe in it
I want to know that you needed it
But you tell yourself that
You won't take it back
I won't take it back
I tell you the truth
You tell it to me too
I know I need you
You know that we are through
I drive by your house at night
I hate to think that you think he's right
But you say that I'll be fine
You won't take it back
I won't take it back
I guess all that I can do
Is try to stop thinking about you
But if you wanted to
I'd take it back
If you take me back
I tell you the truth
You tell it to me too
I know I need you
You know that we are through
