KillerÂ´

Â´Adamski

It's the loneliness that's the killerSo you want to be free
To live your life the way you wanna be
Will you give if we cry
Will we live or will we die?Tainted hearts heal with time
Shoot that love, so we can stop the endSolitary brother
Is there still a part of you that wants to live?
Solitary sister
Is there still a part of you that wants to give?If we try and live your lives
The way you wanna be, yeahSolitary brother
Is there still a part of you that wants to live?
Solitary sister
Is there still a part of you that wants to give?
Is there still a part of you that wants to give?
Is there still a part of you that wants to give?Racism in among future kings can only lead to no good
Besides all our sons and daughters already know
How that feels, yeah, yeah, yeah, yeah
