paint it black

The Vines

I see a red door and I want it painted black
No colors anymore, I want them to turn black
I see the girls walk by dressed in their summer clothes
I have to turn my head until my darkness goesI see a line of cars and they're all painted black
With flowers and my love, both never to come back
I see people turn their heads and quickly look away
Like a new born baby, it just happens every dayI look inside myself and see my heart is black
I see my red door and must have it painted black
Maybe then I'll fade away and not have to face the facts
It's not easy facing up when your whole world is blackNo more will my green sea go turn a deeper blue
I could not foresee this thing happening to you
If I look hard enough into the setting sun
My love will laugh with me before the morning comesI see a red door and I want it painted black
No colors anymore, I want them to turn black
I see the girls go by dressed in their summer clothes
I have to turn my head until my darkness goesI wanna see it painted, painted black
Black as night, black as coal
I wanna see the sun blotted out from the sky
I wanna see it painted, painted, painted, tainted black
Yeah!
