When My Devil Rises

MAN WITH A MISSION

Massive corruption let it begin
And hell with this air
Time flies and it's making me chokeShut your mind down what does it take
Confess your wrong conscience

I will take you I will break you
See them go down can't stop the rebel
Bleed it all out just like the devil
I will break you
I will when the devils rise
Transform The double inside can't wait
To take place and you'll never know
