When I Fall In Love (Spanish Version)

Natalie Cole

And the moment
I can feel that you feel that way too
Is when I fall in love with youWhen I fall in love it will be forever
Or I'll never fall in love
In a restless world like this is
Love is ended before it's begun
And too many moonlight kisses
Seem to cool in the warmth of the sunWhen I give my heart
(Give my heart)
It will be completely
(Completely)
Or I'll never give my heart
(Give my heart)And the moment
I can feel that you feel that way too
Is when I fall in love with you
(When I fall in love)Oh, this love feels so right(When I give my heart)
When I'll give my heart
It will be completely
(Completely)
Or I'll never give my heart
(Never, never)
(Never give my heart)And the moment
I can feel that you feel that way too
Is when I fall in loveWhen I fall in love
Is when I fall in love with you
I love you
