Dollars In The Night

The Asteroids Galaxy Tour

Take your check start working
Up your face
Everybody stop joking
Of your space
Gather round this nation
That it's your faith
Is ride on the flip side
Again and again and then againDollars in the night
Dollars in the night
Dollars in the night
Dollars in the nightIt's insane, fame
It's insane, fameGo back to
Too late to change
So afraid to be
You're walking without chain
The back money
Spend it all today
Is a to be now your nameDollars in the night
Dollars in the night
Dollars in the night
Dollars in the night
It's insane, fame
Who's to blame
It's insane, fame
What's her name
Fame
