Humane

Hundredth

You walk on by
without feeling to your stroll.
You Walk Alone.
Compromise,
It's just anoher contradiction.
You're not alone.
There's a place
You've run away
that is in your heart
it is in your heart.
In your heart
Your love again.

there's a place to be afraid
There's another chain to hold
and you dont know.
Your hell is when you dream
and I'm awake.
Look into your heart
Deep in your heart.
In your heart
Your love again.
There is none for
love is not afraid.
In your heart
Your love again.
