Cyborg

The Outcasts

Welcome to my worldPower, fight, deathCome play with me
Hahahahaha
I'm waitingI play their fantasy and I live their pain
My heart and soul locked up in a cold steel frame
A strange creature's crawling and it's calling out my name
I don't want to, I don't need to, but I must fight again
(Let me out)
(Set me free)Calling out for the cyborg, gonna rub you out
Time is up for the cyborg, you'll never get out
Bah! You're nothing but a cyborgCyborgCyborg, it's your timeI'll make it back there baby, just you watch me try
(one more try, one more try)
We'll fly again into the deep blue sky
I feel a hunger baby, cyborg feels no shame
Lord I have to, Lord I need to win this wicked gameCome step to meCalling out for the cyborg, gonna rub you out
Time is up for the cyborg, you'll never get out
Calling out for the cyborg, gonna put your light out
Bah! You're nothing but a cyborg, you'll never get outI'm gonna erase your file
