# The Way We Were

## Donna Summer

Well you ladies out there
You know what I'm, I'm talkin' 'bout ya
But you wanna know something?
Did you ever try to remember, or
Or just place up a memory in your mind
And it always seems so far away
So hard to find
Memories
Light the corners of my mind
Misty water-color memories
Of the way we were
Scattered pictures
Of the smiles we left behind
Smiles we gave to one another, oh yesterday
For the way we were
Tell me, tell me, tell me, tell me
Would it be that it was all so simple then

Or has time rewritten every line
And if you had a chance to live your lifes again
Tell me, how many of you would live your lives again
I would too
You girls?
Memories
May be beautiful and yet, and yet
What's too painful to remember
We simply choose to forget
And so it's the laughter
We should [Incomprehensible] to remember
Whenever we remember
Oh you know were
The way we were
The way we were
