Gina

Leslie Phillips

Gina, broken soul
Hollywood took its toll
Gina, I wanted to
Let you know God cared for you butI never found the time
Never made my mind up to tell you
And now it's way too late
I never should have waited
Oh, GinaGina, they found you dead
"You burned to death", the paper said
Gina, the day before you died
You were on my mind and I don't know whyI never found the time
Never made my mind up to tell you
And now it's way too late
I never should have waited
Oh, GinaI wish I could bring you back but I can't
I'd give my life for a second chance'Cause I wanna find the time
Wanna make my mind up to tell them
But for you it's way too late
I never should have waited
Oh, Gina
