Wasteful

Monarch

Everything feels so right,
Entirely wasteful.
Everyone feels so right,
So I'll keep fighting.
Everything feels so right,
I cannot wait fall...
Everyone looks so bright,
And you're still... right...And I can't keep fighting outlaws,
I can't running down,
And I can't keep fighting outlaws,
When everything feels so wasteful,
Everything feels so bright.Everything is so loud,
Entirely wasteful.
Everything burning down,
Turn round.
Everything feels so right,
Entirely wasteful.
Everyone looks so bright,
And you're still... right...And I can't keep fighting outlaws,
I can't running down,
And I can't keep fighting outlaws,
I can't keep holding on.
When everything feels so wasteful,
Everything feels so right,
And everything feels so wasteful,
And everyone feels so right.And I won't keep fighting outlaws,
I won't keep burning down,
And I won't keep chasing outlaws,
I won't keep burning down,
And I can't keep fighting outlaws,
I can't keep holding on.
And I can't keep fighting outlaws,
I can't keep holding on.And everything feels so wasteful,
Everything feels so right,
Everything feels so wasteful,
And everyone feels so right,
And everything feels so wasteful,
Everyone feels so right.
Everyone feels so wasteful.

And you're still right,
And everything feels so wasteful.
