

New Dawn Fades (Live May 1980)

Joy Division

A change of speed, a change of style
A change of scene, with no regrets
A chance to watch, admire the distance
Still occupied, though you forget
Different colors, different shades
Over each mistakes were made
I took the blame
Directionless so plain to see
A loaded gun won't set you free
So you say
We'll share a drink and step outside
An angry voice and one who cried
'We'll give you everything and more
The strain is too much, can't take much more
