Tell Me That I'm Dreaming

Was (Not Was)

Ã¢??Members of the Congress, I have the high privilege, and of the sick honor of presenting to you, the President of the United States.Ã¢?? Ã¢??Thank you very much. Thank you very much. Thank you very much.Ã¢??

I pulled into your town, saw two signs:
Ã¢??West and WestÃ¢?? Tell me that I'm dreaming
Turned down a Ã¢??No-way streetÃ¢?? and saw another sign:
Ã¢??Drive in reverseÃ¢?? or something like it
(We talked like men and ate fish at the end of the pier)

I tried 2 walk, but how? The rest of U were dancing with pointy shoes on
Somebody pinch me, am I? (Na na na na na)
(Was I? Did I away the night?)

Nu Shooz, laser breakfast, fast target vehicles
Leather house, dreaming, somebody pinch me! (Ouch!)

Ã¢??Can we who man the ship of state deny it is somewhat out of control?Ã¢??
Ã¢??Can we who man the ship of state deny it is somewhat out of control?Ã¢??
Ã¢??Can we who man the ship of state deny it is somewhat out of control?Ã¢??
Ã¢??Can we who man the ship of state deny it is somewhat out of control?Ã¢??
Ã¢??Can we who man this?Ã¢?? Ã¢??Can we who man this?Ã¢??
Ã¢??Can we deny the control?Ã¢?? Ã¢??Thank you very much. Thank you.Ã¢??

Nightwatchman at a bank made some pirates walk the plank
Ã¢??Oh, I must be dreaming.Ã¢?? Tell me that I'm dreaming
One man liked milk, now he owns a million cows
Ã¢??Can you imagine all that milk?Ã¢?? Tell me that I'm dreaming

Ã¢??Tag! You're it! No! It's not funny! It's not funny! Yaaaahh! Not!Ã¢??
One man liked milk, now he owns a million cows
One man liked milk, now he owns a million cows
One man liked milk, now he owns a million cows
(Tell me that I'm dreaming) Out of control
One man liked milk, (out of control) now he owns a million cows
(Tell me that I'm dreaming) Out of control
One man liked milk, now he owns a million cows
(Out of control, out of control)
One man liked milk, now he owns a million cows
(Out of control) One man liked milk (Out of control)
Now he owns a million cows (Out of control, out of control)

(Out of control) One man liked milk (Out of control)
Now he owns a million cows (Out of control)
(Out of control, out of control, out of control)
(Out of control, out of control, out of control)
