Down to the Wire

Metalwolf

Every time you touch her
Sets your hands on fire
And every thing you've got
Is all that she requiresAnd you hang on, hang on, hang on
To the words of a liar
You can feel it's getting down
To the wireAll the hurt you thought was gone
Has now returned
And every thing she's laughing at
Is all you learnedAnd you let go, let go, let go all
'Cause you know you're getting tired
Can you feel it getting down
To the wire?Take the time to close your eyes
And look around
'Cause anyone who helped you out
Can let you downAnd look out, look out, look out
The voice is now the choir
Can you feel it getting down
To the wire?
