Barbara

Rufus Wainwright

If youre runnin' from your doorstep
And you dont know where to go to
Drinking ros in the rain
Or listening to the same song over and over againIf youre lost on a strange path
Needin' a gate to turn into
Far from the sun
Or listening to someone happier than yourselfBarbara
Barbara
Ill be there
Ill be thereAnd although you may not see me
The trees they will remember
Speak my name
And ros will be sweet
Suddenly, inclement weather will retreat
Although you may not see me
Although you may not see me
Speak my name andBarbara
Barbara
Ill be there
Ill be there
Ill be there
