Pretty One

Roy Orbison

Hey there, pretty one
Take a look at what you've done
You've broken my heart in twoYou told a hundred lies
To as many other guys
Oh lovely, unfaithful pretty oneSomeday,when you're older
And your future has past
You will find that your beauty
And loveliness won't lastWhen the traces of time
Show in every line
Remember I still love you
Pretty one, pretty one, pretty oneHey, there pretty one
Take a look at what you've done
You've broken my heart in twoYou told a hundred lies
To as many guys
Oh lovely, unfaithful pretty oneSomeday, when you're older
And you future has passed
You will find that your beauty
And your loveliness won't lastWhen the traces of time
Show in every line
Remember I still love you
Pretty one, pretty one, pretty one
