Bee

Bari Koral

I was resting under the apple tree
Book on my leg, the grass so green
Sky was blue and so pretty
But then I heard a noise.What can that be?

Bee, bee, bee, donâ€™t bother me!
With your buzz, buzz, buzzing, buzzing, buzzing
Can you find another tree? Maybe with your cousin?

Bee, bee, bee, youâ€™re real pretty!
But your buzz, buzz, buzzing, buzzing, buzzing
Got me on my feet, itâ€™s got me running

I was sleeping under the apple tree
Guitar on my leg, the grass so green
Sky was blue and so pretty
But then I heard a noise. What can that be?

Bee, bee, bee, donâ€™t bother me!
With your buzz, buzz, buzzing, buzzing, buzzing.
Can you find another tree? Maybe with your cousin?

Bee, bee, bee, youâ€™re real pretty!
But your buzz, buzz, buzzing, buzzing, buzzing
Got me on my feet, itâ€™s got me running

I had a picnic under the apple tree
Drank lemonade, ate strawberries.
Sky was blue and so pretty
but then I heard a noise. What can that be?
buzzz noise Oh no!

Bee, bee, bee, donâ€™t bother me!
With your buzz, buzz, buzzing, buzzing, buzzing.
Can you find another tree? Maybe with your cousin?

Bee, bee, bee, youâ€™re real pretty!
But your buzz, buzz, buzzing, buzzing, buzzing
Got me on my feet, itâ€™s got me running

Hey! Hey! Hey!
Running! Hey, hey, hey!

Bee, bee, bee,
Donâ€™t bother me again (repeat)
