Like This (feat. Eve)

Kelly Rowland

Told ya'll I was gonna bump like this
Ya'll didn't think that I could bump like this
Said I told ya'll I was gonna bump like this
Turn around then I make it jump like this (Ladies!)
You wanna keep that boy
That make it jump like this
Let him think that I can make it bump like this
See I told ya'll I was gonna jump like this
How you not gon' know it when it hits like this?
Ladies, drama, leave it - home
If he ain't got it right by now
Then scratch him - off
They just called me
Said it's about - twenty strong
Standing at the door they wanna take us - on
The ring, let it go bout three months ago
The pain, the stressin'
Ain't in me no mo'
The girl that they used to know - done changed
Now they say a "Miss" befo' they mention my nameTold ya'll I was gonna bump like this
Ya'll didn't think that I could bump like this
Said I told ya'll I was gonna bump like this
Turn around then I make it jump like this (Ladies!)
You wanna keep that boy
That make it jump like this
Let him think that I can make it bump like this
See I told ya'll I was gonna jump like this
How you not gon' know it when it hits like this?
See satellite, 664 came up crept slow
Put a good game on me
Told partner dont' get too close
Or come too bold
Cuz the quick ain't fo' me
Got my gurls all here with me
So spare me please
All ya personal info...

I just wanna get it up
Pop a bottle

And let's, let's goTold ya'll I was gonna bump like this
Ya'll didn't think that I could bump like this
Said I told ya'll I was gonna bump like this
Turn around then I make it jump like this (Ladies!)
