Let Me Go Lover!

Patti Page

Go, go, goOh, let me go, let me go, let me go, lover
Let me be set me free from your spell
You made me weep, cut me deep I can't sleep, lover
I was cursed from the first day I fellYou don't want me
But you want me to go on wanting you
How I pray that
You will say that we're throughPlease turn me loose what's the use, let me go, lover
Let me go, let me go, let me go
You made me weep, cut me deep I can't sleep, lover
I was cursed from the first day I fellYou don't want me
But you want me to go on wanting you
How I pray that
You will say that we're throughPlease turn me loose what's the use, let me go, lover
Let me go, let me go, let me goOh you please let me go
