I'm Gonna Have a Little Talk

Randy Travis

I'm gonna have a little talk with Jesus
When I get home tonight
I'm gonna tell Him all about my troubles
And I know He'll make them rightThen I'll ask Him to forgive me
For the things that I've done wrong
I'm gonna have a little talk with Jesus
Tonight when I get homeThis world can be a struggle
Just livin' day to day
And you'll run into the devil
With every step you takeI've seen his face a hundred times
As he tried to lead me wrong
But he don't understand
That I don't walk this road aloneI'm gonna have a little talk with Jesus
When I get home tonight
I'm gonna tell Him all about my troubles
And I know He'll make them rightThen I'll ask Him to forgive me
For the things that I've done wrong
I'm gonna have a little talk with Jesus
Tonight when I get homeLord said, I could call on Him
Whenever I feel low
Any time or place I needed Him
He would gladly goAnd my life has not been perfect
No matter how I try
But He's never turned His back on me
And that's the reason whyI'm gonna have a little talk with Jesus
When I get home tonight
I'm gonna tell Him all about my troubles
And I know He'll make them rightThen I'll ask Him to forgive me
For the things that I've done wrong
I'm gonna have a little talk with Jesus
Tonight when I get homeI'm gonna have a little talk with Jesus
When I get home tonight
I'm gonna tell Him all about my troubles
And I know He'll make them rightThen I'll ask Him to forgive me
For the things that I've done wrong
I'm gonna have a little talk with Jesus
Tonight when I get homeI'm gonna have a little talk with Jesus
Tonight when I get home
