Anyone

Colours

you are the water making my mind wet
taming my thirst and taming every thought in my head
you fill up the room, I swim for my life
I sink into you and I die
I lose my life in your love
you are nothing like anyoneI, anyone
I, anyone
I thought I knew what dying was
you make it feel like a massacre
nothing like anyoneI know you felt this before
I was your maker
a living ghost who's haunting my dreams
a monster not born but you were made by me
I lose my life in your love
you are nothing like anyoneI, anyone
I, anyone
I thought I knew what dying was
you make it feel like a massacre
nothing like anyone
