Sweet Surprise

Naia Kete

This may be out of left field
But I thought Iâ€™d mention it
Iâ€™m not sure how you may feel
But baby you know Iâ€™m feeling it

Cause I feel the tingle in the places
Iâ€™d only let you touch
The heat within my teach
Boy youâ€™re making me blush
And if you donâ€™t tell me otherwise
You just might find Iâ€™d be your
Sweet Surprise

You may try to pull away
But you donâ€™t know what youâ€™d miss
Cause Iâ€™ve been preparing for this day
And to show you itâ€™s gonna take me
More than just one kiss

Cause I feel the tingle in the places
Iâ€™d only let you touch
The heat within my teach
Boy youâ€™re making me blush
And if you donâ€™t tell me otherwise
You just might find Iâ€™d be your
Sweet Surprise

Cause Iâ€™m giving you the first class ticket
On this train out of town
Cause I just wonâ€™t wait forever
For you to come around
So make up your mind, give me a sign
In me you will find your love
Yes youâ€™ll find your love

Cause I feel the tingle in the places
Iâ€™d only let you touch
The heat within my teach
Boy youâ€™re making me blush
And if you donâ€™t tell me otherwise

You just might find Iâ€™d be your
Sweet Surprise
