The Scene And Herd

Relient K

So here it is it's just me
A different drummer but the same old beat
It seems like everything is going to be just fine
'Cause I'm having a good time
As long as I'm staying true to myself
Then out isn't something I can sell
And I can sleep at night without your help it's fine
'Cause I'm having a good time
The scene and herd
Seem to make it all just a little bit worse
And I don't wanna go down that road
Oh, no, no, no
The scene and herd
I'll be the first to tell you I'm worse
But I don't wanna go
Down that road, oh, no
And odds are that you probably
Magically got this song for free
And I'm not sure if it bothers me it seems fine
'Cause I'm having a good time
And if the path I take to validate
Everything I do means everything I create
Is knocking on the door of everything I had I'll decline
'Cause I'm having a good time
Well, everyone's got something on their mind
And this is my thought at the present time
I say what I want might not be what you want to hear
Oh, the scene and herd
Block out the sun like a flock of birds
And I don't wanna go
I don't wanna go
