Penelope

Yo I'm about to go to the chinese store, ya mean(Hook)
4 wings shrimp fried rice, homemade lemonade could you please add ice
Poke a hole in my top, poke a hole in my top, poke a hole in my top, poke a hole in my top Look
(Repeat)Just left the club so you know I need love, before I do that you know I need grub
Just was in the club twistin up bud, sippin on stuff, lickin on her
Poke a hole in my top yea thats the new dance, two steppin in my brand new pants
Dunks on my feet like uncle toucan, my fruit looped the shoe now they hatin on me damn(Hook)
4 wings shrimp fried rice, homemade lemonade could you please add ice
Poke a hole in my top, poke a hole in my top, poke a hole in my top, poke a hole in my top Look
(Repeat)Slide to the right poke a hole in ya top, poke a hole in ya top, now
Slide to the left poke a hole in ya top, poke a hole in ya top
Now slide to the right poke a hole in ya top, poke a hole in ya top, now
Slide to the left poke a hole in ya top, poke a hole in ya top(Hook)
Lemme get 4 wings shrimp fried rice, homemade lemonade could you please add ice
Poke a hole in my top, poke a hole in my top, poke a hole in my top, poke a hole in my top Look

(Repeat)Stay-wit-it on the party you know it's gone pop,
All the girlies gone come, the booties gonna drop
Tell em clear the front so they dont call the cops
Cuz the party too hot, too hot, too hotNow I got the whole club pokin holes in they top

Would I order anything else, I think not,
Pink lemonade poke a hole in my top(Hook)
