Genie let out the bottle
It is now the witching hour
Genie let out the bottle
It is now the witching hourMurderers you're murderers
We are not the same as youGenie let out the bottle
Funny ha ha funny howWhen the walls bend
When the walls bend
With your breathing
With your breathingWhen the walls bend
When the walls bend
With your breathing
With your breathing
With your breathingThey will suck you down
To the other side
They will suck you down
To the other side
They will suck you down
To the other side
They will suck you down
To the other sideTo the shadows blue and red
Shadows blue and red
Your alarm bells
Your alarm bellsShadows blue and red
Shadows blue and red
Your alarm bells
Your alarm bellsThey should be ringing
They should be ringing
They should be ringing
They should be ringing
They should be ringing
They should be ringing
They should be ringing
They should be ringing
They should be ringing
They should be ringing
They should be ringing
They should be ringingThis is the gloaming
