I hate Christians and I hate Jews
I hate my friends and I hate you
I hate the blacks and whites and reds
I hope to see them all dead[Chorus:]
I'm not prejeduced, 'cause I hate everyone
And don't you ask me why, 'cause I just think its funI hate the politically correct
I hate jocks and I hate rednecks
I hate the corporate fucking clones
I hate faggots and homophobes[Repeat Chorus]I hate capitalists and I hate commies
I hate daddies and I hate mommies
I hate straightedgers and I hate drunks
I hate skinhead and I hate punks[Repeat Chorus]
