I Ran

Pangea

I walk along the avenue
I never thought I'd meet a girl like you
With Auburn hair and stormy eyes
The kind of eyes that hypnotize me through
And I ran I ran so far away
I just ran, I ran all night and day
I couldn't get away
A cloud appears above your head
A beam of light comes shining down on you
The cloud is moving nearer still
Aurora Borealis comes in view
And I ran I ran so far away
I just ran, I ran all night and day
I couldn't get away
Reached out a hand to touch your face
You're slowly disappearing from my view
Reached out hand to try again
I'm floating in a beam of light with you
And I ran I ran so far away
I just ran, I ran all night and day
I couldn't get away
And I ran I ran so far away
I just ran
I couldn't get away
