the fountainhead is in your eyes i connect within your mind
in silver lights and silver threads in you i live again i live again
the machine head goes from your mouth
from her mouth she says she says she saysmy life goes on and on and on and on
and on and on and on and on
and on and on and on and on
in her lifemy fountainheadthe medicine head will take you higher within your head within your mind
the medicine head will take you higher within your head within your mindmy life goes on and on and on and on
my life goes on and on and on and on
my life goes on and on and on and on
in her lifethe fountainhead is in your eyes fountainhead
the machine head comes from your mouth machine head
the medicine head will take you higher medicine head
the fountainhead is in your eyes fountainhead
