Bang!

Akakage

Bang!
You're so vicious baby
Bang!
You sure know how to control me
You're as cool as ice cream

Bang!
You're so evil baby
Bang!
You're no sweetheart baby
Bang!
You keep me blushing all the time

And the way you kiss keeps me hanging on
And the way you love keeps me hanging on
Hanging on

Kids wanna bop
Out in the street
Fu-fu-fun
All summer long
Kids wanna bop
Out in the street
Fu-fu-fun
All summer long

Bang!
When you hit me baby
Bang!
When I scream out baby
Bang!
You know I love it all the time

Bang!
So excited baby
Bang!
Just like a rocket baby
Bang!
To the stars now baby yeah

And the way you kiss keeps me hanging on
And the way you love keeps me hanging on
Hanging on

[Repeat x3]
Kids wanna bop
Out in the street
Fu-fu-fun
All summer long
Kids wanna bop
Out in the street
Fu-fu-fun
All summer long
