Amazing (Thin White Duke Edit)

Seal

Everyone says you're amazing

Say you don't know how to do it now
So you run
It's not that you're bleeding, but you're through with it now
So you run, so you run

I know that you need it, you can't live alone
So you run, so you run

Everyone says you're amazing now that you're clean
Only you know the real ones are cause you've seen
There's only one question I want to ask is it healing
When you hear everyone say you're amazing
Does anybody ask you

Do you cry in your sleep and do you feel ok
When you run

Thinking it's Doomsday you got to let it go
So you run, so you run

Pretend you don't see it, that we can live a lie
So you run, so you run

Everyone says you're amazing now that you're clean
Only you know the real ones are cause you've seen
There's only one question I want to ask is it healing
When, does anybody ask you

Cause I know that you're real, amazing, amazing, amazing

Everyone says you're amazing now that you're clean
Only you know the real ones are cause you've seen
There's only one question I want to ask is it healing
When you.
Everyone says you're amazing

Everyone says you're amazing
(I want you to always feel you're amazing)

Everyone says you're amazing
(I want you to always feel you're amazing)
Everyone says you're amazing
(I want you to always feel you're amazing)
(I want you to always feel you're amazing)

You're amazing
