Lets Get It On

Tony Stone

I've been really tryin', baby
Tryin' to hold back these feeling for so long
And if you feel, like I feel baby
Then come on, oh come onLet's get it on, oh baby
Lets get it on, let's love baby
Let's get it on, sugar
Let's get it on, woahWe're all sensitive people
With so much to give, understand me sugar
Since we got to be
Let's say, I love youThere's nothin' wrong with me
Lovin' you, baby love, love
And givin' yourself to me can never be wrong
If the love is true, oh babyDon't you know how sweet and wonderful life can be?
I'm askin' you baby to get it on with me, ooo ooo
I ain't gonna worry, I ain't gonna push
I won't push you babySo come on, come on, come on, come on baby
Stop beatin' round the bush, heyLet's get it on, let's get it on
You know what I'm talkin' 'bout
Come on baby, let your love come out
If you believe in love
Let's get it on, let's get it on baby
This minute, oh yeah let's get it on
Please, let's get it onI know you know what I been dreamin' of, don't you baby?
My whole body makes that feelin' of love, I'm happy
I ain't gonna worry, no I ain't gonna push
I won't push you baby, wooCome on, come on, come on, come on darling
Stop beatin' round the bush, heyOh, gonna get it on, threatin' you, baby
I wanna get it on
You don't have to worry that it's wrong
If the spirit moves you
Let me groove you good
Let your come downOh, get it on, come on baby
Do you know the meaning?
I've been sanctified, hey hey
Girl, you give me good feeling
So good somethin' like sanctifiedOh dear I, baby
Nothing wrong with love
If you want to love me just let your self go
Oh baby, let's get it on
