There Isn't One

Linda Davis

(Cathy Majeski/Sunny Russ/Stephony Smith)I've been lookin for your replacement
But it looks like I'll have to face it
Oh that there isn't one
No there isn't oneI've been cryin every night in vain
Waitin for an end to this pain
Oh but there isn't one
No there isn't oneThere isn't one single thing I haven't tried
Tryin to get you out of my mind
But I'm draggin round your memory
Chained to this miseryI've been runnin from a broken heart
Searchin for a brand new start
Oh but there isn't one
No there isn't oneThere isn't one single thing I haven't tried
Tryin to get you out of my mind
But I'm draggin round your memory
Chained to this miseryNow I'm walkin down a lonesome road
And how I need a hand to hold
Oh but there isn't one
No there isn't one
Oh no there isn't one
No there isn't one
