Baby

Ashanti

I don't remember feelin like this Baby, baby, I love you

Baby, baby, I love youI got this Jones formin in my bones from a man

Who indeed took over my soul understand

I couldn't breathe if he ever said he would leave

Get on my knees, till they bloody red baby please

See, I don't know if you get it yet, just don't know

He's like the lighter to my cigarette, watch me smoke

I never knew another human life, didn't know

Can have the power to take over mine

So baby, baby, baby, baby, baby, baby

Baby, I love you

Baby, baby, baby, baby, baby

I love it when I hear your name, got me sayin'

Baby, baby, baby, baby, baby

Baby, I love you

Baby, baby, baby, baby, babySee, I could never feel alone with you in my life

Ill give up everything I own for you won't think twice

Almost a shame how I'm mesmerized such a shame

I loose my thought lookin in your eyes I know why

Because your kisses make my lips quiver and that's real

And when you touch me my whole body shivers I can feel

Now, I can see how another life, another life

Can have the power to take over mine, cause youre myBaby, baby, baby, baby, baby

Baby, I love you

Baby, baby, baby, baby, baby

I love it when I hear your name, got me sayin'

Baby, baby, baby, baby, baby

Baby, I love you

Baby, baby, baby, baby, babyBrake it down

Baby, I can't see my worth I can't see

Living here on God's green earth Gods

You don't know what you've done to me, done to me

I never thought I'd need you desperately, desperately

It's kind of sick how I'm stuck on you, stuck on you

But I don't care 'cause I'm needin you, I'm needin you

And how I feel will remain the same, remains the same

Cause youre my baby, cause your my babyListen, and when the world starts to stress me out where I run It's to you boy without a doubt you're the one

Who keeps me sane and I can't complain, can't complain You're like a drug you relieve my pain, may seem strange

You're like the blood flowin through my veins

Keeps me alive and feedin my brain

Now this is how another human life, another life

Could have the power to take over mine, cause youre mineBaby, baby, baby, baby, baby

Baby, I love you

Baby, baby, baby, baby, baby

I love it when I hear your name, got me sayin'

Baby, baby, baby, baby, baby

Baby, I love you

Baby, baby, baby, baby, baby, baby, baby, baby, baby

Baby, baby, baby

Baby, baby, baby, baby

Baby, baby, baby, baby, baby

Baby, baby, baby, baby
