Perfect

80 Proof Band

When I think about you, I think about how great life can be.
See the wings of an angel flying high above a tree.
With a smile on your face you can say you love me
When I think about you, I think of how great life can be.

Girl youâ€™re perfect, so perfect in everyway.
Girl youâ€™re perfect, you were made for me.

And I remember the day that you came thru my door.
With eyes of an angel like I never seen before.
With a crooked smile, little wicked grin.
You take me to places that Iâ€™ve never been.

Girl youâ€™re perfect, so perfect in everyway.
Girl youâ€™re perfect, you were made for me.

If I were to lose you, I donâ€™t know what Iâ€™d do.
You were made for me and I was made for you.

Girl youâ€™re perfect, so perfect in everyway.
Girl youâ€™re perfect.
