Bush Doctor (Long Version)

Peter Tosh

Warning! The Surgeon General warns
Cigarette smoking is dangerous, dangerous
Hazard to your health
Does that mean anything to youTo legalize marijuana
Right here in Jamaica
I'm say it cure glaucoma
I'm another Bush DoctorSo there'll be
No more smokin' and feelin' tense
When I see them a come
I don't have to jump no fenceLegalize marijuana
Down here in Jamaica
Only cure for asthma
I'm another Minister(of the Herb)So there'll be no more
Police brutality
No more disrespect
For humanityLegalize marijuana
Down here in Jamaica
It can build up your failing economy
Eliminate the slavish mentalityThere'll be no more
Illegal humiliation
And no more police
InterrogationLegalize marijuana
Down here in sweet Jamaica
Only cure for glaucoma
I'm another Bush DoctorSo there be
No more need to smoke and hide
When you know you're takin'
Illegal rideLegalize marijuana
Down here in Jamaica
It the only cure for glaucoma
I'm another Minister
