# Astral Adventure ( The Escape )

## Armageddon

Climb into the shuttle
Tere is no time to waste!
This is the last you will see
Of your family and home
The demigods have taken
Their lives, taken control
From now on we are renegades
Destined to roamWe are blessed the chosen few
Survivors of the holocaust
Men, women and children
Work as crew
Unite together we must
What lies ahead of us
Is a mystery
We all hail
The new horizon
A future paradise
In another galaxy
Try to fill
This myopic voidAs we travel through
The infinity of space
I lie down to rest
And my mind wanders
Will we ever find
Another friendly race?
I stare into the blackness
Outside... I wonder...
We will make our own destiny
Create our own future
There are no boundaries
We are truly free-Solos-
