Hideaway

Emay

It's time to change, throw out the books
And start again
Break all the rules, fall on your face
Don't be ashamed
You can't waste more time 'cause you've been
Gone for far too long
Trapped in his arms, safe without harm
Follow your heart don't be afraid
You think that you're okay
But I don't believe in what you say
You think that it's too late
But it's not good, good enough for you
Don't hideaway
'Cause I know that you've got what it takes
I believe
You can be what you wanna be
Let yourself, go
Don't worry about a thing
Breakin' the chains, so hard to begin
Follow your heart, don't be afraid
You think that you're okay
But it's not good, good enough for you
Don't hideaway
'Cause I know that you've got what it takes
I believe
You can be what you wanna be
Don't hideaway
'Cause I know that you've got what it takes
I believe
You can be what you wanna be
Don't hideaway
'Cause I know that you've got what it takes
I believe, you can be what you wanna be
You can be what you wanna be
