Radiohead

I want to
I want to be someone else or I'll explode
Floating upon this surface for the birds
The birds, the birdsYou want me?
Fucking well come and find me
I'll be waiting
With a gun and a pack of sandwichesAnd nothing
Nothing
NothingNothingYou want me?
Well come on and break the door down
You want me?
Fucking come on and break the door downI'm ready
I'm ready
I'm readyI'm ready
I'm ready
