Marching Orders

Kosheen

If you're out there laughing
Fishbowl culture
You're fighting for water
If you're out there laughing
In our direction
We see our failureGet on your precious rocket
I think you better go
Traded your empty pockets
I think you better go
Your foolish plan won't save you
I think you better go
Your stupid fans won't save you
I think you better goIf you're out there laughingFishbowl culture
You're fighting for water
If you're out there laughing
In our direction
We see our failure
Get on your precious rocket
I think you better go
Traded your empty pockets
I think you better go
Your foolish plan won't save you
I think you better go
Your stupid fans won't save you
I think you better go
I think you better go
I think you better go
