Silly Girl

Neon Hitch

Running like a Gebsy girl
Running like a Gebsy girl
Running like a Gebsy girl
Running like a Gebsy girl
Running like a Gebsy girlCause i am feeling like a Ouija Board
Move my body back and forth
I know she can get this low low
Kitty Kitty on the floor, better put away your clothes, know you see the way i kill
low, low, low
and the ... goes
and the ... goes
and the ... goes
and the ... goesRunning like a Gebsy girl
Running like a Gebsy girl
Running like a Gebsy girl
Running like a Gebsy girl
Running like a Gebsy girl
Running like a Gebsy girlThis is silly girl
I am silly girl
I am the silly girl
I run the silly world
This is silly girl
I am silly girl
I am the silly girlNow they call you silly girl
Is a lesson you should learn
I am the bitch you are taking this low low
See me take over the world
Yeah, I said over the world
If you didn't now you know know know
and the ... goes
and the ... goes
and the ... goes
and the ... goesRunning like a Gebsy girl
Running like a Gebsy girl
Running like a Gebsy girl
Running like a Gebsy girl
Running like a Gebsy girl
Running like a Gebsy girlThis is silly girl
I am silly girl

I am the silly girl
I run the silly world
This is silly girl
I am silly girl
I am the silly girl
