Like We Grown

Trevor Jackson

(spoken) Aye, I Know I'm Young But I Promise You
Chrous:
Imma Love You Like We Grown Tonight
Imma Pick You Up And We Gone Ride Like We Grown Tonight
With The Roof Let Back
Hands Up Girl We On
Verse 1:
Yeah. Your Body Given Me The Vibe I'm Speakin'
Oh Yeah I Wanna Tear The Night Up So I Start It Off
Take You Where You Ain't Gone
Do Something Crazy You've Never Done Before
I Start It Off
We Ain't Gotta Go Home
Lets Stay Out All Night
Chorus:
Imma Love You Like We Grown Tonight
Imma Pick You Up And We Gone Ride Like We Grown Tonight
With The Roof Let Back
Hands Up Girl We On(x2)
We Can Do This All Night Just Like We Grown
Verse 2:
Yeah. I Know You Lovin' The View Of The Valley
Oh Yeah. You See Nothin' But Stars From Here
I Know You Like Every Moment, Right

I Know You Like Kissin' Under The Moon Light
I Know You Like Doin' Wrong To Feel Right
So Lets Stay Out All Night
Chorus:
Imma Love You Like We Grown Tonight
Imma Pick You Up And We Gone Ride Like We Grown Tonight
With The Roof Let Back
Hands Up Girl We On(x2)
And We Can Do This All Night
Just Like We Grown
Verse 3:
It's All Right
You Can Trust Me
I just Wanna Love You Long Time

Baby Take My Hand
Let Me Know If This Feels Right
Ain't No Stress, Baby No Pressure
On You Tonight
Chorus:
Imma Love You Like We Grown Tonight
Imma Pick You Up And We Gone Ride Like We Grown Tonight
With The Roof Let Back
Hands Up Girl We On(x2)
And We Can Do This All Night
Just Like We Grown(x4)
