The Juggernaut Divine

Armageddon

a final sign the sky is falling down
this world has come undone
armageddon has arrived
in the shape of a killing machinedestroying you
pulling you under its wheels
crushing youa sadistic instrument of pain
to hunt down our race like animalsinvincible - eraser of life - truly evil
the juggernaut divinea warcry killing the unborn
suffocating heat and the stench of
burning human meat
our culture now destroyed foreveras the war machine keeps turning
the flames of hate - still burning
